

Era300-AFSX2 **2 x Essentials Adjustable Floor Stands for Sonos Era 300**

The Flexson Essentials Adjustable Floor Stands for Sonos Era 300 can hold the speaker at a range of heights, allowing them to adapt to a range of potential Sonos set-ups. Whether you need to hold your speakers lower or higher than a standard floor stand would, the Flexson Essentials Adjustable Floor Stands are ready to serve, in style.

They come in a twin pack: ideal for setting your speakers up as a stereo pair or as the left/right rear speakers in a surround-sound set-up with a Sonos Arc, Beam, Ray, Sub or Sub-Mini. The Flexson Essentials Adjustable Floor stands are high-quality and designed in the UK. They are easy to set-up and adjust and include neat cable management. Just like the speakers themselves, they are available in black and white finishes.
