

Manufactured from steel and finished in either black or white this practical design will enable you to securely mount your Sonos Beam to your wall. There are two fixing points to make sure the Beam stays in place and plenty of access to route the cables you need.

- Ideal for simple wall mounting of the Sonos Beam
- Securely holds the Sonos Beam
- Access for easy cable routing
- High grade-steel construction
- Black and white versions to match the Sonos Beam
- Designed and manufactured in the UK
