### ERA300-ACM Adjustable Ceiling Mount for Sonos ERA 300

The Flexson Adjustable Ceiling Mount for Sonos ERA 300 allows you to hang your speaker from the ceiling in the ideal place to sound and look great. This new, improved design gives you yet more flexibility and functionality with clever cable routing to the ceiling. It's ideal for commercial installations in bars, restaurants and shops, as well as for home use.

The new Flexson ceiling mount has a unique tilting mechanism, as well as the ability to swivel left or right, so you can perfectly angle your sound. Able to tilt 15 degrees down, swivels 80 degrees (40 degrees right & 40 degrees left). Height adjustable from 0.81m to 1.18m to give you greater flexibility with differing ceiling heights. The bracket also allows you to hang the Sonos ERA 300 upside down so you can access on-speaker controls.

- Bespoke design securely holds the Sonos ERA 300
- Base seamlessly fits the speaker, holding it securely.
- Adjustable length of 0.81m to 1.18m
- Clever cable management to keep things tidy
- Speaker can be inverted for access to controls if required
- Unique tilting mechanism (down 15°) plus can swivel up to 80°(40° left, 40° right), so you can perfectly angle your speaker
